

## Rolling Hills Farm CSA Agreement

All CSA members must provide a signed copy of the Rolling Hills Farm CSA agreement, along with your first payment, by the first pick up.

By purchasing a CSA share and signing the “Rolling Hills Farm” CSA agreement, I am acknowledging and will comply with the following;

- Rolling Hills Farm CSA is committed to offering the most diverse options of pesticide and herbicide free vegetables. We pride ourselves on providing our members with only the best.
- Payment for shares must be received by the date/dates given on the payment form according to my chosen payment plan, in the form of a check, money order, or cash. Please mail checks to 16771 21st St SW, Beach ND 58621. Or give to Jaci Cutforth any time before, or up to the first pick up. Please note first payment must be received to hold your share.
- If you are unable to pay for your shares up front please talk to Jaci Cutforth, (701 872-2423).
- I understand that if I choose to quit or if I am asked to leave the CSA I will be offered a partial refund, which will be determined by Rolling Hills Farm. This refund will not be a whole refund and the deduction from the full amount will be proportional to the value I have received during my time with the CSA.
- As a member of the Rolling Hills Farm CSA I understand that I will receive a weekly share for 10 weeks depending on the weather conditions and according to the size of my share. I understand that these shares will vary in size and weight depending on the time of season. Weather permitting, the first pick up will be in the beginning of July and run through Sept. I understand the variety of vegetables I receive is dependent on growing conditions that will vary from season to season.
- I understand that the risks and benefits associated with Rolling Hills Farm CSA are shared and that damaged or failed crops can occur from weather and other environmental factors. Should crop failure occur I understand that there will be no refunds and the share size could be greatly impacted.
- In the event that a certain product is unavailable, Rolling Hills Farm will attempt to replace it with more of another product/s available that week.
- I am responsible for picking up my share at the designated location on a weekly basis. If unforeseen circumstances arise other arrangements can be made by contacting Rolling Hills Farm. Otherwise my share for that week will be forfeited.
- It is my responsibility to thoroughly wash all produce.
- I am responsible to bring my Rolling Hills Farm CSA share basket to every pick up.
- Purchasing a CSA share in no way gives me any type of ownership of the farm. I'm simply purchasing a share of the produce that is grown in the given season.

- When production of crops are especially abundant, Rolling Hills Farm gladly passes it on to their members. At the same time, they realize that there is only so much one can eat, and we don't want any fresh produce to go to waste. Any surplus beyond what they can give to CSA members will be sold at a farmer's market.
- In the event of a dispute regarding any aspect of Rolling Hills Farm CSA operation and a registered member, the CSA will do all that it can to work with the member and resolve the problem.
